

# ALUMNI CLUB OF ROCKFORD

## Badger Beat (News)

---

### **On The Waterfront, Labor Day Weekend 2004**

This past fall the club added a second beer tent and tried selling bottled beer. The bottles proved to be very popular, and easier to work with compared to draft. Volunteers who worked at the beer tents served 37 half barrels and 170 cases of the 16-oz bottles. Thanks to this tremendous effort, the Alumni Club was able to earn \$5268.25 for use toward 2005 high school scholarships. Special thanks goes to Dave Golz for organizing our participation in this event, and also to Nicole Baxter, Joyce Fitzsimmons and Bob Madden for again helping as shift captains.

### **Big Ten Dinner: September 24, 2004**

Sixteen UW alumni attended the Big Ten Dinner at Forest Hills Country Club. The Northwestern alumni club hosted, and their guest speaker was Mark Murphy, Director of Athletics and Recreation at Northwestern University. Special thanks goes to Dan Thayer for organizing our participation in this event.

### **Football Bus Trip: October 2, 2004**

We only filled 35 of the 50 seats on our bus, but those who went took away some special memories from the 24-7 win over Illinois. The renovated stadium and improved pre-game experience were as good as advertised, and the chance to watch Anthony Davis rack up 213 yards for the then 5-0 Badgers was a real treat. Barry certainly seems to have his team pointed in the right direction once again after a successful 9-2 season. Thank you Bob Madden for organizing a great package with transportation, food, and tickets.

### **New Face on Board of Directors**

Jennifer Leob graduated from UW-Madison with a Biochemistry degree in 2001, and worked for the university for a few years before taking a job in Rockford. Since relocating to the area she has graciously volunteered to help our club by filling one of the vacant spots on the board.

### **Varsity Band Concert, April 21-23 2005**

Some members have expressed interest in a club-organized trip to Madison for the UW Varsity Band Concert. We are considering this, but first want to survey members to find out (1) how many people would be interested participating in a bus trip, and (2) if anyone would be interested in helping organize the event. If you have any interest please contact Dustin Kaap at [dkaap@uwalumni.com](mailto:dkaap@uwalumni.com) or 2057 Valencia Dr, Rockford, IL 61108 by January 31.

Ideas for Club Events:

### Member Feedback

We continue to receive many great ideas for club events from those sending in their membership renewals. The board would like to form a committee that would review the ideas, and develop go-forward plans based on member interest and available resources. If you are interested in volunteering for the committee please contact Dustin Kaap at [dkaap@uwalumni.com](mailto:dkaap@uwalumni.com) or 2057 Valencia Dr Rockford IL 61108.

## Lets Go Red (Upcoming Events)

### Founders' Day Dinner: Thursday February 3, 2005

It is time again for our annual Founders' Day banquet so dig out those fancy Badger clothes and mail in the RSVP below. This year's event will be held at Giovanni's Restaurant, and the guest speaker will be Allen R. Fish, Associate Vice Chancellor for UW-Madison.

Allen has over 25 years of experience with UW-Madison and the State of Wisconsin. He spent 10 years in state government, where he served as administrator for policy and budget with the Wisconsin Department of Health and Social Services. From 1989 through 2002 he served as associate athletic director for UW-Madison's [Division of Intercollegiate Athletics](#). As associate athletic director he oversaw planning and management of a number of projects, including the Kohl Center, University Ridge Golf Course, Camp Randall Stadium, the Fetzer Academic Center located in the McClain Center, the Goodman softball complex, the women's hockey practice facility and the UW Athletics Hall of Fame. In his current role as associate vice chancellor Allen is focusing on careful management of campus facilities, energy conservation and safety. He is also working to find the resources to improve and renovate existing facilities and infrastructure.
